YOUNG VOICES COMMUNITY HEALTH PHOTO CHALLENGE

FOR ANY MARICOPA COUNTY YOUTH AND YOUNG ADULTS AGES 12 – 25 YEARS.

The Health Improvement Partnership of Maricopa County (HIPMC) invites you to participate in the **2015 COMMUNITY HEALTH PHOTO CHALLENGE**. We will accept submissions starting March 2nd through March 16th, 2015. The theme of the photo challenge is community health. We know that our communities play an important role in our health. We want to know how you think your community affects your health. Using the lens of your camera, we'd like you to show us what a healthy community looks like – or what it doesn't look like - for you. Consider where you live, learn, work, or play. What do you see around you that helps support good health, for you or your family? Or, if you prefer, what do you see around you in your community that gets in the way of your best chance at good health?

PARTICIPATION IS SIMPLE

- Take an original photo
- A caption for your photo is required. This can be 1-2 sentences about how your photo speaks to promoting or creating barriers to community health
- Complete the online submission and consent form and upload your photo (in jpeg or png format) on the photo challenge page here: www.hipmcsummit.org
- Completion of the photo sharing consent form provides consent to share your photo and caption
- You're done! - All entries will be entered into a randomized drawing to win a \$100.00 Amazon.com Gift Card. Winner will be contacted by email by March 20th, 2015

QUESTIONS AND ANSWERS:

HOW WILL MY PHOTO BE USED?

By entering this challenge, you agree that any photo submission has the potential to be shared at a variety of HIPMC events throughout Maricopa County to spread the message of the importance of supporting community health.

WHAT ARE THE PRIZES?

The photos will not be judged; all participants adhering to guidelines will be entered into a randomized drawing. One single winner will be randomly drawn to receive a \$100 Amazon.com Gift Card. Winner will be notified by March 20, 2015.

CAN I ENTER MORE THAN ONE PHOTO?

Yes, you may submit up to four photos. Each photo submitted equals one entry into the challenge for a maximum of four total entries.

WHAT IS THE HIPMC?

The Health Improvement Partnership of Maricopa County (HIPMC) is a collaborative effort of more than 60 public and private organizations addressing priority health issues through the 2012-2017 Community Health Improvement Plan (CHIP).

WHO DO I CONTACT WITH OTHER QUESTIONS?

If you still have questions please email hipmc@mail.maricopa.gov
